

# Mariyum Siddique

## Computer Engineer

Mumbai, Maharashtra  
8097122179

[mariyumsiddique02@gmail.com](mailto:mariyumsiddique02@gmail.com) [LinkedIn](#)

## SKILLS

- Data Structures and OOPS in JAVA
- Data Analysis in PYTHON
- HTML , CSS, JAVASCRIPT
- TABLEAU
- MYSQL
- NodeJS
- Git & Github
- Node Express

## PROJECTS

**Reminder Application using Python :-** Created a Python reminder application with tkinter GUI, facilitating task organization and time management. Allows users to set personalized reminders for tasks, events, and deadlines. Highlights proficiency in Python programming and user-centric design.

**Music Website:** Developed a music streaming website similar to Spotify, featuring an extensive music library, personalized playlists, high-quality audio streaming, and social sharing functionalities. Utilized modern web development technologies to create a smooth and responsive user interface, addressing challenges related to database management and API integration. Successfully launched the platform, receiving positive feedback for its functionality and user experience..

**IOT Based Vehicle Accident Detection and Tracking System :** Developed a smart system using IoT and onboard sensors to detect vehicle accidents instantly. Designed Alerts to quickly inform emergency services and contacts about the accident's location, enhancing safety on the road. Demonstrated skills in IoT integration and real-time communication for improving transportation safety.

## EDUCATION

Rizvi College of Engineering, Mumbai - *Bachelor of Engineering*

Third year **Computer Engineering** with **Honors in cybersecurity**.

2021 - Present

**GPA : 9.12**

Apostolic Carmel Junior College, Mumbai - *HSC*

2018-2020

**HSC Percentage : 85.85%**

St Joseph's Convent High School, Mumbai - *SSC*

2018

**SSC Percentage : 75%**

## CERTIFICATES

- Google Cybersecurity : [Certificate Link](#)
- Google Data Analytics: : [Certificate Link](#)
- Artificial Intelligence & Machine Learning : Participated in 2 day "Tech WorkShop Series 2024" organized by techobytes technologies in association with ITC, IIT Bombay.
- AWS Academy Graduate - AWS Academy Cloud Foundations : [Certificate Link](#)

## AWARDS

- Recognized as the most diligent student at Apostolic Carmel junior college, reflecting a strong commitment to hard work, perseverance, and academic excellence
- Achieved the highest percentage in Apostolic Carmel junior college , demonstrating exceptional academic performance and dedication to excellence.
